The State Planning Office's Waste Management and Recycling Program collects and maintains data on municipal recycling efforts. The State Planning Office calculates the municipal recycling rates based on annual solid waste reports submitted by municipalities and regions.

Information on municipal solid waste management and recycling may be obtained directly from the State Planning Office. Please contact Hank Tyler by phone at 207-287-8934 or e-mail [Hank.Tyler@state.me.us](mailto:Hank.Tyler@state.me.us)
